Overview

Life Insurance Corporation of India (**LIC of India**) is a leading life insurance company headquartered in Mumbai. LIC is the largest life insurance company in India with an asset value of over 2,529,390 crores. The object of this is to enable rural areas and to the socially and economically backward classes with a view to reaching all insurable persons in the country and providing them adequate financial cover against death at a reasonable cost, maximize mobilization of people's savings, Meet the various life insurance needs of the

community that would arise in the changing social and economic environment and many more.

History

The Life insurance Corporation of India was established on 1 September 1956, when the Parliament of India passed the Life Insurance of India Act that nationalized the insurance industry in India. Over 245 insurance companies and provident societies were merged to create the state-owned Life Insurance Corporation of India. LIC reported 290 million policy holders as of 2019, a total life fund of ₹28.3 trillion and a total value of sold policies in the year 2018–19 of ₹21.4 million. The company also reported to have settled 26 million claims in 2018–19.

Goals of the project

The Goal of this project is to make a clone LIC website which includes

- Login portal
- Products page
